

Attendance

96%

A 96% attendance rate is the minimum expectation for our school (unless the absence is unavoidable and/or authorised by the school).

An attendance rate of 96% means that over one school year, the pupil has missed 1.5 weeks or 35 lessons of school. Over the course of a pupil's- 11 years of compulsory school that could mean 16.5 weeks or 83 missed days of education (almost half a year!)

Legally, schools have to report absence and attendance at school twice daily, in the morning and afternoon.

Morning registration for pupils in Years 7-11 at Matford Brook Academy closes at 8.55am.

If your child arrives after this time and the reason for them being late is unauthorised, they will receive a absent mark for the morning period.
